JUST THE FACTS

It is the mission of Heart 2 Heart Services to provide prevention against Human Trafficking through awareness, education, and training. Human Trafficking is a form of modern-day slavery and is America's most hidden method of Child Abuse.

There are 100,000-300,000 children who are trafficked annually within the United States. Human Trafficking is within all 50 States and the Tri-State area lands in the top 10-20.

Heart 2 Heart Services is invested in the lives of those being trafficked, to provide safe housing, stimulate healing, encourage positive self-esteem and create independence that will offer a better lifestyle.

Our goal is to have a home where survivors can be supported in recovery, and begin to rebuild their lives. All proceeds will benefit the organization in it's mission.
